

HANDS-ON WORKSHOP

Building the Confidence and Capacity of Early Years Educators to effect sustainable behaviour change in children

Megan Mentz, Little Green Steps WA - Education for Sustainability Program For Early years Educators

Abstract

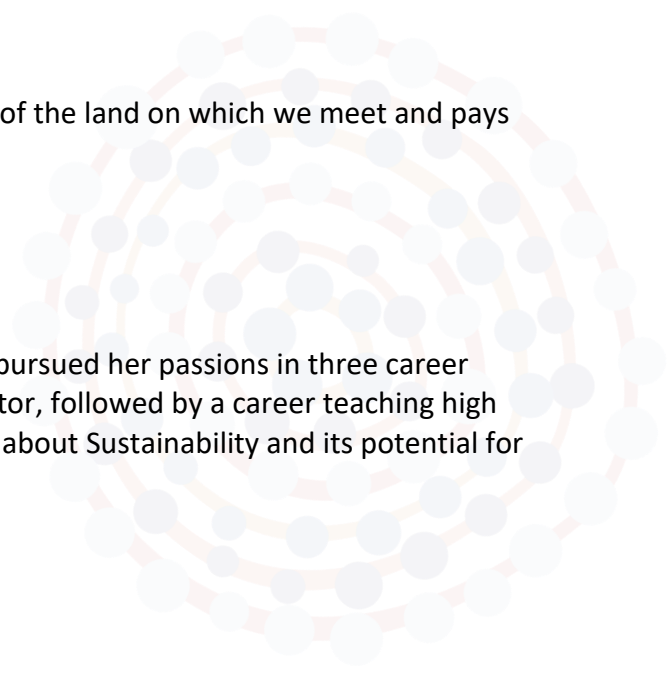

This presentation will showcase sustainable early years spaces for ideas on best practice engagement and the hands-on component will actively engage educators in biodiversity awareness and citizen science actions to explore their potential for providing ongoing agency in future generations

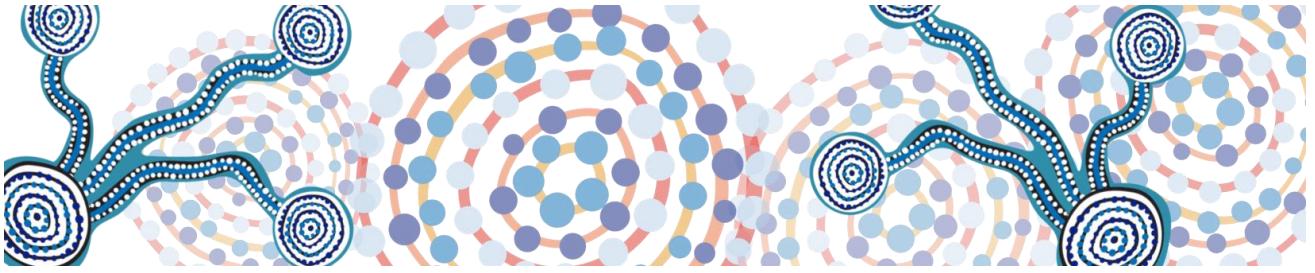

Acknowledgement

Megan Mentz acknowledges the Traditional Custodians of the land on which we meet and pays respects to their Elders past and present.

Speaker Profile

Megan Mentz has been lucky in her working life having pursued her passions in three career streams; initially as an Archaeologist and Cultural Educator, followed by a career teaching high school students and now as an Eco Educator passionate about Sustainability and its potential for behaviour change in early years education.
